## Copyright and Data Management Awareness

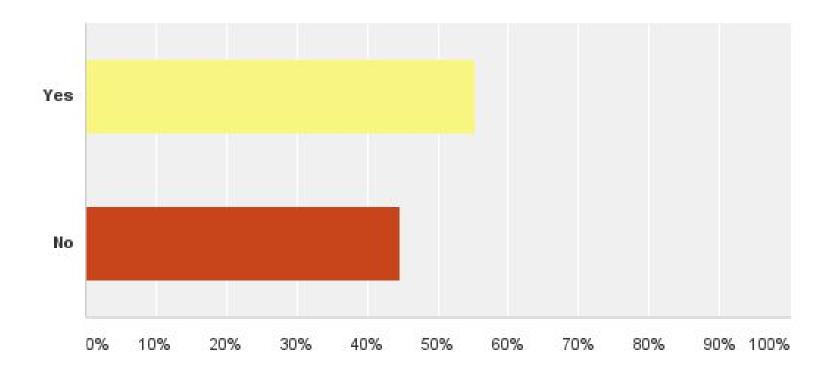

## Do you know it may be possible to retain your copyright by granting publishers a non-exclusive license?

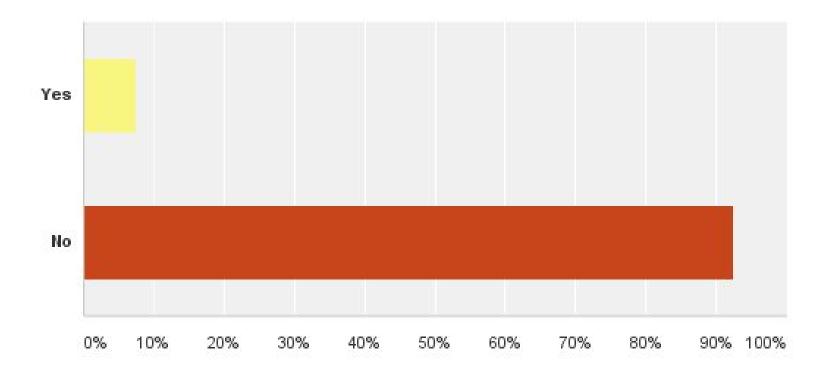

#### Are you aware of the DMPTool service that is available to you?

Do you need Librarians to help you create these data management plans, or help you assess the data management needs of your project and work with you to identify data management solutions?

## Do you know that you can create an ORCID ID at https://orcid.org/register?

#### **Biggest Concerns**

- Copyright violations
- Theft of intellectual property/confidential data
- What good would depositing do?
- Quality of non-Peer-Reviewed work
- Is it still mine/will I always have access?
- How does it work?

#### **What Would Motivate More Deposits**

- More information on the benefits of depositing such as
  - visibility in the DC
  - ease of use/sharing
  - how it helps depositors/the University/the future
- Knowing how to deposit
- Having time to do it
- Seeing how quickly and easily it can be done
- Assurance of security/copyright issues

#### What do you Need the Most from your Librarians?

- Data management plans
- Workshop/instructions/video on how to deposit work
- One-on-one consultations
- More information
- More support for non-Faculty
- Copyright assistance
